

## CAREERS WITH ROBERTSON GEO

**Do you believe that if something is worth doing, it's worth doing well?**

**Can you bring a different perspective, helping us to shape communities and build a sustainable tomorrow through practical innovations and superior service? If so, we would like to hear from you.**

We are currently recruiting for a **Mechanical Design Engineer** and a **Mechanical Instrument Technician**.

Additional open positions will be posted on our website when available. We welcome hearing from people who want to make a difference - to express your interest in joining our company, please email your CV and covering letter to [sgarantini@robertson-geo.com](mailto:sgarantini@robertson-geo.com)
